

Directions for Emerald Beach Conference Center & Holiday Inn Express Hotel

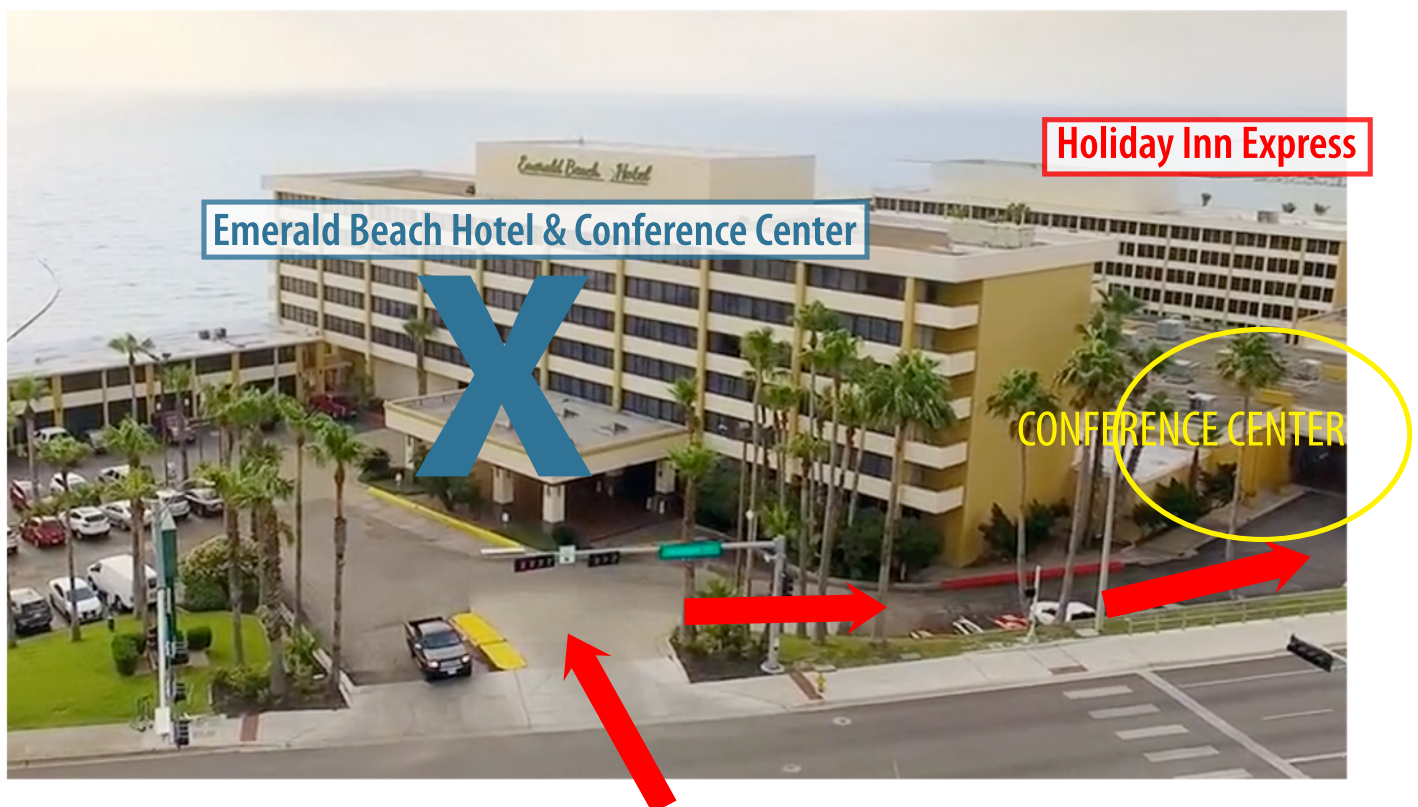

Because the facilities for the convention are in separate buildings we thought it would be helpful to provide some directions.

All convention activities will be inside the Emerald Beach Conference Center and other hotel spaces. HOWEVER - your hotel room is in the Holiday Inn Express which is next door. Both businesses use the same entrance off of Shoreline Dr. You will check in for your hotel room at the Holiday Inn Express front desk.

When you arrive at the location you will enter from the driveway marked below with a red arrow. Immediately turn right and go around the street side of the Emerald Beach building to the Holiday Inn Express which is next door. There is plenty of parking so find your way to the front desk and check-in.

While the Holiday Inn provides a free breakfast, the convention will have our own breakfast which will be in the Sand Piper Restaurant in the Emerald Beach Hotel complex. You can enter through the conference center main doors and we will direct you to the restaurant which is around the side and past the main hotel lobby.

The convention begins on Thursday morning and you will need to come over from the Holiday Inn to the Conference Center. Check-in will be in the conference center lobby (marked with a yellow circle).

More on Page 2

This view from the far side of the Holiday Inn Express shows the two buildings in relation to one another. Only your hotel room is in the Holiday Inn Express. All convention activities are in the Emerald Beach Hotel & Conference Center spaces.
